Remarkable Tribute to a Colored Man.

The following tribute penned by Rev. Dr. E. B. Barnes, pastor of the Christian Church of this city, and unanimously adopted and signed by the members of the Local Option Executive Committee of Richmond and other citizens, was handed to the colored temperance orator, Prof. E. W. B. Curry, of Urbana, Ohio, President of the Curry Normal and Industrial School for colored children.

This tribute far better describes the work done here by Prof. Curry than any statement which might be made, and it is published by special order of the Committee which planned and fought to a successful conclusion the recent memorable campaign and which resulted in a majority of 123 against the licensed saloon.

RESOLUTIONS COMMENDING PROF. CURRY
Richmond, Ky., March 4, 1911.

To whom it may concern:
We the undersigned members of the Local Option Campaign Committee of the city of Richmond, which has this day finished its work, take this opportunity to commend the services of Prof. E. W. B. Curry, of Urbana, Ohio, President of the Curry Normal and Industrial School, to all communities who may need assistance in promoting the great work of temperance. Prof. Curry has been with us in two successful campaigns, and we speak with a confidence born of knowledge.

In the first place, we gladly place ourselves on record in acknowledging that a large measure of our success in each campaign was due to the untiring efforts of Prof. Curry. We are happy to add that each campaign resulted in victory for the temperance cause.

Secondly—Prof. Curry is an orator of the first rank, and has unusual power over the audience to whom he speaks. He delivered about fourteen addresses in the campaign just closed to large audiences, and many other addresses to audiences in our smaller meeting places, and every address was of the highest order. His originality is one source of his power. He always has an intellectual surprise in store. He is a finished speaker from every point of view. He is scholarly, witty, pathetic, polished, and always entertaining and instructive. He is a gifted tactician, and meets difficult situations gracefully and successfully.

Thirdly—While in our city he spoke frequently to audiences composed of white and colored people. In this part of the world that fact is significant. No ordinary man can do that. But the people believe in him, for they have come to regard him as a refined Christian gentleman. He won laurels from both races, and from persons in every walk of

life. Fourthly—Prof. Curry is an untiring worker for his cause from the day that he comes upon the scene of his labors until the hour of his departure therefrom. If ever a worker gave a Committee full service, not sparing himself, that victory might crown his efforts, we cheerfully agree that Prof. Curry is that man.

Fifthly—Among his own race, he moves with the affection of a father, and the power of an oracle. He wins their confidence and esteem. They listen to his counsels, and never for a moment has their confidence been misplaced. He is an example to them of the possibilities of their race.

Sixthly—To sum up our appreciation of him: We believe in him because we know him, and have had abundant opportunity to observe the life that he lives, while this prosperous Local Option community proclaims the work that he does. He has the mental and moral

force that will command the attention of any audience in America. It is with pleasure that this Committee gives him their unqualified endorsement:

Croup Conquered

Every Mother Should Read and Remember This

In any home where a child has a tendency to croup, a bottle of Hyomel (pronounced High-o-mel) should be kept constantly on hand.

A sudden attack of croup with difficult breathing and extreme distress is apt to come on at any time.

The course to be pursued is plain. Send for your doctor at once, and in the meantime drop 20 drops of Hyomel into a bowl of boiling water and hold the child's head over it, cover with a towel or cloth, so that only the air filled with Hyomel vapor is breathed.

This method of treatment has saved many a child's life, and mothers of croupy children should see to it that Hyomel is always on hand. Full instructions for prompt relief of croup is in each package.

A 50c bottle of Hyomel is all you need in treating croup. This is known in all drug stores as Extra Bottle Hyomel Inhalant. B. L. Middleton and druggists everywhere sell it. It is guaranteed to cure croup, croup, sore throat, bronchitis, coughs and colds, or money back.
